SEVENTY THOUSAND MEN ARE WANTED

War Department Calls For This Immediate Number, Yet No Arrangements Have Been Made For the Negro To Volunteer His Service. July Fourth, Date Set For Army Draft, May Be Sooner. Local Jews Resent Discrimination Against Their Race.

NEGROES WANT SIXTH MISSOURI

Young Colored Men Loyal To Their Country And Anxious To Avoid the Taint Of Conscription Appeal To The Governor To Give Them a National Guard Regiment.

According to the press dispatches from Washington, seventy thousand men are wanted to volunteer their service for the regular army. Every effort is being made to facilitate men in getting this number under arms as far as early as possible. It is also stated that it is the desire of the War Department that these men should be single and between the ages of eighteen and forty; should have no dependents, and who are not engaged in professional, business, or trade vitally necessary to the prosecution of the war. The men who are under contract will receive thirty dollars a month, in addition to clothing, food, medical attention, and educational advantages.

Owing to the facts the conscription ages are from twenty-one to thirty inclusively, this call seems to be thirty days early. The men under contract will be discharged. Since the four Negro regiments in the regular army have been filled, and these seventy thousand men are to be raised before the conscripts are selected, it is evident the Negro is not included in this call.

July Fourth

It was the plan of the army officials to fix July first as the day for actual drafting of the men who were conscripted June fifth, but owing to the amount of work involved and details to be arranged, the date has been postponed to July fourth. If on that day Negroes are drafted, the good work of the Association in this behalf as a defensive organization for the protection of the rights of the Negro is to be commended.

Jews Resent Discrimination

In their quest for recruits for the Fifth Missouri Regiment, a meeting was arranged to be held at Temple Israel on June 12. This meeting was designated by the promoters as a "Jewish Rally." Rabbi Salas desired the designation of the meeting as a "Jewish Rally," saying that it was discriminating and leaves the impression that Jewish youth were weak-kneed, and that their religious efforts, necessary to get them to enlist. The leading Jews of the city who were scheduled to speak at this meeting found excuses to be absent. Among those were Louis P. Alou, President of the Board of Aldermen of this city; Dr. Harrison, of Temple Israel; and Dr. Salas. The meeting was a far failure, there being only about thirty-five present, most of whom were women and children, and no recruits were secured. This is considered a "Black Eye" to those who are trying to recruit social groups and discriminations into the army.

WANT NEGRO NATIONAL GUARD

Negroes throughout the state of Missouri have become much disturbed since the publication in the Argus last week of the article calling attention to the fact that 200,000 young Colored men, who had been drafted, were being denied the right to offer their services like other men. They feel keenly the taint of conscription, which will never record the honor of patriotism. White men have been offered an opportunity to volunteer for a branch of the National Guard. Many will stand in the front five regiments of National Guards, composed of loyal white sons, whose patriotism is being loudly proclaimed, but the Negroes are being denied the right.

Because of this a protest has been sent up to the War Department, asking that the Negroes be allowed to re-enlist in the old 6th regiment, and open it for the volunteer enlistment of young Colored men. St. Louis is anxious to do her duty. Only yesterday, the Argus was informed that more than 200 men in this city are ready for the call of honor.

Will Missouri give them a chance?

Will she sustain the valor of her loyal Negro citizens? These are the questions that are being asked everywhere. The time is short. It is up to the Governor to act and act promptly.

ST. LOUIS BOYS ENLIST IN ILLINOIS NATIONAL GUARD

Chas. S. Stone, 4415 W. Belle; Roy Wilson, 4012 W. Belle; Douglas White, 4415 W. Belle; Walter Powers, 4250 Garfield, and Daniel Ewell, 2710 Marquette, all St. Louis boys, have enlisted in the Eighth Regiment, Company M, Illinois Infantry, National Guards.

GOOD WORK BY N. A. C. F.

Last week the Unit of the Criminal Correction Club, Jackson, Colored, was discharged. He had been arrested by the local officers and held for extradition to the state of Arkansas, where he was wanted for the commission of trivial offenses. A sheriff from Arkansas came and attempted to return with the prisoner to Arkansas. The National Association for the Advancement of Colored People, through Attorney Homer G. Phillips, interceded itself in his defense and succeeded in getting his return. The good work of the Association in this behalf as a defensive organization for the protection of the rights of the Negro is to be commended.

The services will be a far failure, there being only about thirty-five present, most of whom were women and children, and no recruits were secured. This is considered a "Black Eye" to those who are trying to recruit social groups and discriminations into the army.

WORKHOUSE RIOTER MURDERED

Bryan Walsh, a gauger, of 2323 Dickson Street, was shot to death at 2800 Locust Street, Monday night. Walsh was one of the workhouse prisoners who overpowered a guard June 6, permitting another prisoner to seize a shotgun and injure, if not kill, like other men. They feel keenly the taint of conscription, which will never record the honor of patriotism. White men have been offered an opportunity to volunteer for a branch of the National Guard. Many will stand in the front five regiments of National Guards, composed of loyal white sons, whose patriotism is being loudly proclaimed, but the Negroes are being denied the right.

Because of this a protest has been sent up to the War Department, asking that the Negroes be allowed to re-enlist in the old 6th regiment, and open it for the volunteer enlistment of young Colored men. St. Louis is anxious to do her duty. Only yesterday, the Argus was informed that more than 200 men in this city are ready for the call of honor.

Pride of West Elects Officers

Pride of the West Lodge held a most interesting meeting on Monday evening. The Lodge, the members largely from the mining and smelting districts, were A. W. Lloyd, Grand Chancellor; B. F. Adams, Grand Lecturer; W. T. Angel, Grand Keeper of Records and Seal; and S. P. Phillips, of Alabama. Routine business being finished, the members were entertained by the speaker, Dr. John H. In the heart of the city, the Lodge, with a commitment to the generous giving of the people in St. Louis and will stand there to draw and welcome the men and women who make their spares among us. The building covers the entire lot of fronting on Pine St., and will be four stories high, with a basement, pool, gymnasium, dormitory rooms and class rooms. A fully equipped Boys' department will be one of the main features of the building. Team 15, Dr. C. H. Turner, Captain, leads in the fight for fire protection. The Lodge, with a membership in 1902 of 37 or 38 percent of the amount which was subscribed by that team, is not only the largest amount of money collected by any team, except the Campaign Committee, but is also the largest per cent held out by any team. The Lodge of the Year 18 was unable to attend the last meeting, but the meeting held by the railroad porters for that team. This meeting was held in the Pullman porters and was worked up by Mr. T. A. Creighton.

That night, the beginning of the new building, the members of the Lodge voted to increase their membership in the addition of 200 men during next week. Mr. A. E. Malone, the general chairman of the membership campaign, and he and the captains who have been chosen, have decided that there will be no let up until the 200 men have been secured.

WONDERFUL Spirit Medium

RETRNED FROM INDIA

Powerful medium—secretive and wonderful that even Khrushchev, the leader of the Great White Circle of High Priests of the Devil, was compelled to admit her as the leader of occult sciences.

To tell you exactly what trouble or worries you are having, a secret service should be given you which is beyond belief or imagination. She can tell you where and when you will marry and more important still, she can tell you when you will die, or make no charge. Call and see for yourself.

An English inventor's instrument can be used as a telescope or a microscope, and in the latter case it will examine objects several yards away, as well as close to it.

"OLD GEORGE" GIBSON IS SHOWING UP YOUNGSTERS

Veteran Pittsburgh Batsman Signed by McGraw as Coach, Refuses to Become a "Hasbeen."

They call him "Old George" Gibson. He is old at age is judged in baseball. He is just past thirty-five. When after that more than a decade of service behind the bat the Pittsburgh club gave him his unconditional release last year, John Joseph McGraw signed him for the Giants.

McGraw signed him to act as coach for his young pitchers. A big man, standing well over six feet, Gibson took on weight as the years went by in Pittsburgh, and last season was slow and fat. McGraw figured him as a coach rather than a catcher. Now

he has lost weight and is thin again.
